

WVDELL Assistance Checklist

Before you get to the Library you will need:

- To pre-register your eReader device. You will need to set up and account with the eReader company. Some companies require credit cards. This cannot be done at the library due to our security settings.
- Email account – all eReaders require for access.
- Mountain Library Network card in good standing with no fines or fees and is for Fayette County Public Libraries.
- PIN for Library card. To set one up go to <https://mlnapp.raleigh.lib.wv.us/patroninfo> enter your name and barcode. Click submit and you will be prompted to create a PIN.
- Personal computer access with up to date software. The library computers cannot download some programs that are required for checking out eBooks.
- For Apple devices, you will also need an iTunes account.

At the library you will need:

- Pre-registered and full charged eReader device with all cords.
- Laptop (fully charged) - if you will be using it at home and want assistance with program loading.
- Mountain Library Network card in good standing with no fines or fees.
- All account logins and passwords/PIN for email account, eReader account, iTunes account for Apple devices, and library card.
